

Silicone Mould Release

A proven release agent to prevent sticking in mould cavities.

Part Number	Size
SiliconeMould	300g Aerosol

Paintable Mould Release

A release agent which enables parts to be printed, painted or plated after use.

Part Number	Size
PaintableMould	300g Aerosol

Food Grade Silicone

NSF H1 Registered for incidental food contact. Meets FDA CFR-21. Excellent release agent & lubricant for all surfaces.

Part Number	Size
CRC-FOODSILICON	300g Aerosol

Nano Mould Coating

Releases plastic parts for up to 300,000 cycles, part design dependant. Reduces cycle times, semi permanent.

Part Number	Size
NANO-5MLKIT	5ml
NANO-FG-5MLKIT Food Grade	5ml

Rust Protection & Lubricants

Die Protector

A heavy duty formulation designed to protect tools from oxidization & rusting during storage

Part Number	Size
DieProtector	400g Aerosol

Soft Seal

Seals out moisture forming a waxy film, highly resistant to humidity & salt spray.

Part Number	Size
CRC-SoftSeal	300g Aerosol

CRC 5.56 Multipurpose

A multipurpose product that protects, lubricates, disperses water & protects against rust.

Part Number	Size	Part Number	Size
CRC-5.56Can	300g Aerosol	CRC-5.564lt	4Lt Drum
CRC-5.5620lt	20Lt Drum		

Power Lube with P.T.F.E.

Power Lube is a unique lubricant with P.T.F.E. to provide long lasting protection against friction and wear.

Part Number	Size
CRC-PowerLub	300g Aerosol

Food Grade Machine Oil

Food Grade Machine Oil has excellent penetration and lubrication properties.

Part Number	Size
CRC-MachineOil	300g Aerosol

Tool & Die Parts Cleaner

A heavy duty formulation designed to clean injection moulds, tools or dies.

Part Number	Size
DieCleaner	400g Aerosol

Contact Cleaner

Contact cleaner is a precision electronic cleaning solvent, leaves no residue & is low in toxicity.

Part Number	Size
CRC-ConClean	350g Aerosol

Lectra Clean

Electric motor & equipment cleaner. No flash point and quick drying.

Part Number	Size
CRC-LectraClean	400g Aerosol

Oil Absorb Kitty Litter

Part Number	Description
Halesabsorbclay	All purpose spill absorber, made from 100% absorbent granules which are effective at absorbing spills and liquids. Environmentally safe and easy to use 20kg bags.
